PS 14 Field Day 2025–2026

Dear PS 14 Families,

We are excited to announce our annual Field Day, a special opportunity for students to celebrate the end of the school year through teamwork, physical activity, sportsmanship, and fun!

Field Day Dates

Tuesday, June 9, 2026 - Grades K-2

Wednesday, June 10, 2026 - Grades 3-5

Location

Field Day will take place in the PS 14 School Yard

Field Day activities will begin promptly at 8:15 AM in the school yard and will conclude at 1:50 PM to allow time for cleanup and dismissal preparations. Please note that lunch schedules will remain unchanged and dismissal will take place in the school yard. Gates will open for dismissal at 2:15 pm.

Please ensure your child arrives at school wearing comfortable clothing and sneakers and dressed appropriately for the weather. Students should bring a refillable water bottle and have sunscreen applied before coming to school, if desired. Students may also bring a picnic blanket or towel to sit on during breaks throughout the day.

Families are welcome to watch and cheer on our students during Field Day! For the safety and security of all students, parents and guardians may observe activities from outside the school yard gates. Visitors will not be permitted inside the activity areas.

Teachers and staff members will remain with students throughout the day and actively supervise all Field Day activities to ensure a safe and enjoyable experience for everyone.

We look forward to celebrating with our students and creating lasting memories together. Thank you for your support in helping make Field Day a successful and exciting event for all!

Sincerely,

Ms. Piscitello, Principal
